Aluminum Dump | Home of the Viking

VIKING

Built through years of refinement, innovation, and continuous improvement, Di-Mond has continued to advance its aluminum end-dump lineup. Today, our end-dump team brings over 40 years of combined industry experience to every build.

PROUDLY CANADIAN

Manufactured in Canada, our trailers are built with a focus on customization, durability, and long-term performance.

LOCALLY OWNED

We are deeply connected to the communities we serve and take pride in understanding our customers' needs.

CUSTOMER FOCUSED

Our customers are at the center of everything we do. We deliver fast, responsive service and flexible support to provide a personalized experience.
